Dear Crafters,

We are excited to announce we will have our 3rd Annual Waxahachie CARE Craft Show on March 8th. We have been experimenting with outdoor venues and a smaller venue and found that there is a BIG need for an indoor Spring show. Waxahachie ISD has graciously given us permission to use Coleman Jr. High. It is the same place that I have had the Coleman Jr. High Old Fashioned Craft Show for over 30 years. We believe that it will be the perfect place to start a new Waxahachie tradition.

Waxahachie CARE Services provides food and help for the Ellis County citizens in need of services. It also works with WISD by helping with our student food program. It is a wonderful organization, and I am proud to partner with them to bring attention to their organization.

I am attaching the flyer and the square attachment. You can pay by square or mail a check to me. I must have an application to secure your place in the show. I believe we will sell out of space. Please email or mail me the application. If you pay by square, please email me your application with a note that you paid with square. This is all new so please be patient in the process. Please feel free to call or email me with any questions.

- *Please watch out for scammers. I am the only person that coordinates this show. Kim Kriegel kimkrie@aol.com. Be very careful about sending your money to an unconfirmed coordinator. I have references from vendors who have been with me for over 20 years.*
